Struttura: In legno massello tamburato rivestito con poliuretano espanso a quote differenziate (30IP – 75IP), ricoperto da velfodera accoppiata con resinato 150gr/mq. Il molleggio della seduta è assicurato da cinghie elastiche con anima in polipropilene.

Piedini: In filo d'acciaio dal diametro di 16 mm cromati lucidi o verniciati bianco.

Imbottitura: i cuscini seduta sono in fibra di poliestere con anima in poliuretano espanso a quote differenziate (40IM e 23IM), rivestiti in tessuto di puro cotone bianco. Le imbottiture sono trapuntate con una particolare tecnica che ne consente una facile sfoderabilità.

Structure: In honeycomb-paneled solid wood padded with variable-density polyurethane foam (30IP – 75IP) and covered with velfodera on a resin-coated backing 150 gr/sqm. The seat is sprung with elastic straps reinforced with polypropylene.

Feet: In 16-mm steel rod with a glossy chrome or white painted finish.

Padding: The seat cushions are in polyester fiber padded with variable-density polyurethane foam (40IM and 23IM), covered in white 100% cotton fabric. The padding is quilted with a special technique that allows for easy cover removal.
