**Struttura:** In legno multistrato con poliuretano espanso a quote differenziate (75IP e 25IM) rivestito con velfodera accoppiata a resinato 150gr/mq.

**Piedini:** In frassino o in tondino di ferro verniciato dal diametro 18mm.

**Imbottitura:** Il cuscino della seduta è realizzato con poliuretano espanso a quote differenziate (40IM e 25IM) rivestito con vellutino accoppiato a dacron 280 gr/mq. Il cuscino poggiatesta è realizzato con una tela in cotone 100% e imbottito con piuma d'oca lavata e sterilizzata.

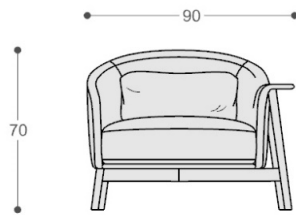

**Structure:** In plywood with variable-density polyurethane foam (75IP and 25IM) covered with velfodera coupled with resin 150gr/sqm.

**Feet:** In ash or in iron painted rod 18mm.

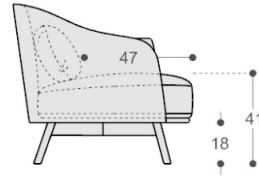

**Padding:** The seat cushion is in variable-density polyurethane foam (40IM and 25IM) covered with fine velvet coupled with dacron 280gr/sqm. The lumbar cushion is made in white 100% cotton fabric and padded with washed and sterilized goose down.
