

Koki

Pocci + Dondoli - 2015

The contract world enters the domestic space with the Koki range of chairs and stools with a contemporary, fresh design. A perfect balance of form, function and innovation, fascinating from any perspective.

Available models

Stacking chair with self-standing body in integral polyurethane, containing a steel frame. Mould-coating available in the different embossed colours as per sample collection. Steel legs in tubular conic shape, square section, lacquered in the same colours as the frame. Also suitable for outdoor.
