Avvertenza: Possibili variazioni di colore tra una partita e l'altra sono tecnicamente inevitabili. I colori riprodotti in queste pagine hanno valore indicativo. Per quanto accurate, le riproduzioni fotografiche dei cataloghi e dei campionari sono suscettibili a variazioni secondo necessità dell'azienda. Accanto alle nostre referenze commerciali, ove possibile, sono stati indicati anche i riferimenti NCS (Natural Color System) da utilizzare come un riferimento il più possibile oggettivo e universale. Si declina pertanto ogni responsabilità per eventuali lievi differenze ravvisabili tra il riferimento NCS ed il colore effettivo del prodotto, tra i diversi modelli e/o tra un lotto produttivo e l'altro.

Warning: The finishing colours shown in these pages have to be considered approximate. Although printed with care, the literature colour reproductions are subject to usual reservations and all colours may be changed at any time as per production necessities. Further to our own commercial names, when available we also indicated the closest possible NCS reference. Such references are provided to result the more universal and objective reference possible. Segis however declines any responsibility for slight colour tone differences that may occur between the NCS colour reference and the real product colour, between different materials, different products and between different production batches.

Notice: Les couleurs reprises dans ces pages sont données uniquement à titre indicatif. Aussi fidèles que puissent être les reproductions de couleurs sur catalogue et des échantillons ceux-ci sont sujets aux réserves habituelles et peuvent être modifiés suivant les exigences de la production. A côté de nos références commerciales, si disponibles, nous avons indiqué aussi la référence NCS (Natural Color System) la plus proche. Ces indications s'entendent les plus objectives et universelles possibles. Toutefois SEGIS décline toute responsabilité en cas de légères différences à constater entre la référence et la couleur effective du produit, des différents matériaux, des différents modèles et/ou d'un lot de production à l'autre.

Wichtig: Alle Farbfotos der Kataloge und Musterkarten sind mit Vorbehalt anzusehen. Farbabweichungen sind drucktechnisch bedingt. Die Farben können herstellerseitig jederzeit aufgrund von Markterfordernissen geändert werden. Neben unserer eigenen Firmenbezeichnung finden Sie auch die NCS-Angaben (Natural Color System). Diese Angaben dienen der bestmöglichen und objektiven Allgemeinbezeichnung. Segis lehnt jedoch jede Haftung für eventuelle Farbabweichungen zwischen der NCS-Angabe und der effektiven Produktfarbe je nach Material, Modell und Produktionsserie ab.
